COURSE OVERVIEW

This course offers teachers and education professionals the opportunity to improve their Spanish language skills while experiencing authentic Spanish culture in the vibrant surroundings of Nerja – Torrox Costa, Spain. Participants will enhance their speaking, listening, reading, and writing abilities through interactive lessons, role-plays, and cultural immersion activities. The training also highlights how language learning connects to culture, promoting intercultural understanding and communication within the Erasmus+ context.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- To improve participants' Spanish language proficiency at different levels.
- To enhance communication and confidence in real-life situations.
- To expand vocabulary and grammar knowledge through engaging activities.
- To promote cultural awareness and understanding of Spanish traditions.
- To inspire the integration of intercultural learning into education.

LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will develop their Spanish communication skills in daily and professional contexts.
- They will gain cultural insights and a deeper appreciation of Spanish life and traditions.
- They will use language learning strategies for continued self-improvement.
- They will be able to apply Spanish in Erasmus+ and international collaboration projects.
- They will build connections with educators from across Europe through shared experiences.

DURATION:

5 Days
