COURSE OVERVIEW

This course provides language teachers and educators with effective strategies, tools, and methodologies to improve language teaching and learning. It focuses on creating communicative, engaging, and student-centred classrooms where learners actively use the target language. Participants will explore innovative approaches, including task-based learning, cooperative techniques, and the integration of digital tools, to enhance motivation, fluency, and accuracy in language acquisition.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- To explore modern approaches and methodologies in language teaching.
- To develop effective strategies for communication-based language learning.
- To use interactive and task-based activities that increase engagement.
- To integrate digital tools and authentic materials into lessons.
- To assess and support language learners through inclusive and motivating practices.

LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will understand key principles of effective language teaching.
- They will apply communicative and task-based strategies in their classrooms.
- They will design lessons that promote active learning and collaboration.
- They will use technology and real-life contexts to enhance language learning.
- They will develop adaptable methods for diverse learner needs and levels.

DURATION:

5 Days

LANGUAGE:

English

SCHEDULE:

Monday to Friday

09:30 – 14:30
5 hours per day

OTHER SERVICES

- Beach front accommodation
- Airport transfers
- Local transport
- One day trips
- Documentation support
- Additional project assistance

CERTIFICATES

A certificate of attendance will be issued to all the participants at the end of the course.

TRAINING ACTION

Day 1

Modern Approaches to Language Teaching

- Overview of contemporary methodologies (CLT, TBLT, PPP, etc.).
- The role of communication, interaction, and context.
- Understanding learner needs and motivation.
- Reflection on personal teaching practices.

Day 2

Building Communicative Competence

- Designing activities for speaking, listening, reading, and writing.
- Role-play, pair work, and collaborative learning.
- Encouraging authentic use of language in the classroom.
- Practical workshop: creating communicative tasks.

Day 3

Task-Based and Project-Based Learning

- Principles of task-based language teaching (TBLT).
- Designing real-world learning projects.
- Group work and problem-solving in language learning.
- Sharing and peer feedback on created projects.

Day 4

Integrating Digital Tools and Resources

- Using technology to enhance interaction and motivation.
- Exploring online tools (Padlet, Quizlet, Canva, etc.).
- Creating blended and hybrid learning experiences.
- Workshop: designing a digital language lesson.

Day 5

Assessment and Reflection in Language Learning

- Alternative and formative assessment methods.
- Providing constructive feedback and promoting learner autonomy.
- Developing a personal action plan for improved teaching.
- Final reflection, feedback, and certification ceremony.
