## COURSE OVERVIEW

---

---

This course is designed to strengthen cooperation and communication between teachers and parents, recognizing that successful education depends on strong partnerships. Participants will explore effective strategies for engaging families, improving dialogue, and resolving conflicts constructively. The training focuses on developing trust, empathy, and shared responsibility to support students' academic, social, and emotional development. Through role-play, group discussions, and real-life case studies, educators will gain the tools to build lasting and positive parent-teacher relationships.

## COURSE OBJECTIVES

---

---

By the end of this course, participants will be able to:

- To understand the importance of family-school collaboration in student success.
- To develop effective communication and active listening skills for parent interactions.
- To manage sensitive conversations and resolve conflicts constructively.
- To encourage parents' participation in school life and student learning.
- To promote a culture of mutual trust, respect, and cooperation.

## LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will improve their ability to communicate clearly and empathetically with parents.
- They will use practical strategies for engaging families in school activities.
- They will manage challenging discussions with confidence and professionalism.
- They will strengthen trust and teamwork between teachers and parents.
- They will contribute to building a supportive and inclusive school community.
