COURSE OVERVIEW

This course is designed for teachers and education professionals who wish to improve their English language skills while exploring British culture and communication styles in an international context. It focuses on practical language use for both daily life and professional settings, including teaching, Erasmus+ collaboration, and intercultural communication. Through interactive lessons, pair work, and cultural activities, participants will develop fluency, confidence, and global competence while enjoying a dynamic and supportive environment in Nerja – Torrox Costa, Spain.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- To develop participants' English communication skills for personal and professional use.
- To improve pronunciation, fluency, and listening comprehension.
- To build confidence in speaking English in educational and intercultural contexts.
- To expand vocabulary and grammar through practical and engaging activities.
- To promote intercultural understanding and collaboration among European educators.

LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will enhance their English fluency and accuracy in everyday and professional situations.
- They will communicate more confidently in meetings, presentations, and Erasmus+ contexts.
- They will acquire tools for continued language improvement and autonomous learning.
- They will gain intercultural awareness through cultural immersion and teamwork.
- They will apply English effectively in international education projects.
