COURSE OVERVIEW

This course is designed to help teachers, trainers, and education professionals develop confidence and competence in public speaking and presentations. Participants will explore effective communication techniques, body language, and voice control to engage audiences and deliver messages clearly. The training combines theory with practical exercises, helping educators enhance their presence in the classroom, during meetings, or at public events. Set in the inspiring environment of Nerja – Torrox Costa, Spain, this course provides a supportive atmosphere to practice, reflect, and grow as a confident communicator.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- To understand the principles of effective public speaking and professional communication.
- To improve verbal and non-verbal presentation skills.
- To manage stage fright, nervousness, and performance anxiety.
- To design structured, clear, and impactful presentations.
- To build self-confidence and develop an authentic speaking style.

LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will communicate with clarity, confidence, and purpose.
- They will use body language, gestures, and voice effectively.
- They will manage public speaking anxiety and improve self-expression.
- They will plan and deliver engaging, audience-focused presentations.
- They will strengthen their ability to inspire and connect with others.
