COURSE OVERVIEW

This course invites teachers and education professionals to explore the power of visual arts as a tool for creativity, expression, and learning. Participants will discover how art can enrich different subjects, stimulate critical and creative thinking, and support emotional development in students. Through hands-on workshops and reflective discussions, teachers will learn to integrate drawing, painting, collage, and other visual techniques into their teaching, transforming classrooms into vibrant spaces of imagination and discovery.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- To understand the educational value of visual arts in fostering creativity and self-expression.
- To develop practical skills in using artistic techniques for teaching and learning.
- To explore how visual arts support emotional intelligence and communication.
- To integrate art-based activities across subjects and learning levels.
- To inspire a creative classroom culture that values originality and participation.

LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will be able to design art-based learning activities for their subjects.
- They will gain confidence in using artistic methods to engage students.
- They will promote creativity, collaboration, and reflection in the classroom.
- They will understand how visual expression enhances motivation and inclusion.
- They will bring new ideas and artistic practices into their school communities.

DURATION:

5 Days

LANGUAGE:

English

SCHEDULE:

Monday to Friday

09:30 – 14:30
5 hours per day

OTHER SERVICES

- Beach front accommodation
- Airport transfers
- Local transport
- One day trips

- Additional project assistance

CERTIFICATES

A certificate of attendance will be issued to all the participants at the end of the course.

TRAINING ACTION

Day 1

The Role of Visual Arts in Education

- Understanding creativity as a core 21st-century skill.
- The benefits of integrating art into different subjects.
- Exploring visual expression as a language for all learners.
- Hands-on introductory art exercises.

Day 2

Developing Creativity Through Artistic Techniques

- Experimenting with materials: drawing, painting, and collage.
- Encouraging curiosity and risk-taking in creative work.
- Strategies for inclusive participation in art activities.
- Group reflection and sharing of personal experiences.

Day 3

Art as a Tool for Emotional Expression and Communication

- Understanding art as a form of emotional literacy.
- Using art to express feelings, stories, and ideas.
- Classroom activities for building empathy and understanding.
- Creating collaborative visual projects.

Day 4

Cross-Curricular Learning through the Arts

- Integrating art into language, science, and social studies.
- Visual thinking strategies and creative problem-solving.
- Designing interdisciplinary art projects.
- Workshop: transforming lessons with visual elements.

Day 5

From Inspiration to Practice

- Developing an action plan for creative teaching.
- Sharing participants' artistic outcomes and reflections.
- Strategies for sustaining creativity in schools.
- Evaluation, exhibition of artworks, and certification ceremony.
