COURSE OVERVIEW

This course empowers teachers and education professionals to use art as a tool to engage, motivate, and inspire students across all subjects. Participants will discover how artistic expression stimulates creativity, emotional intelligence, and critical thinking. Through practical workshops, collaborative projects, and reflective discussions, educators will explore the use of theatre, music, movement, and visual arts to enrich teaching, promote inclusion, and strengthen communication in the classroom.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- To understand the value of art as a teaching and learning tool.
- To explore artistic methods that foster engagement and creativity.
- To integrate music, drama, movement, and visual arts into daily lessons.
- To promote emotional expression, cooperation, and self-confidence through art.
- To inspire innovative and inclusive classroom practices.

LEARNING OUTCOMES

After completing this course, participants will be able to:

- Participants will be able to design art-based activities to enhance learning.
- They will understand how creative expression supports student motivation and inclusion.
- They will use artistic strategies to improve communication and teamwork.
- They will develop confidence in applying creative methods across the curriculum.
- They will cultivate an inspiring and participative classroom culture.
